DATCP -- DEPARTMENTWIDE AND RESOURCE MANAGEMENT

Drainage District

Motion:

Move to provide \$200,000 PR in 2001-02 and \$10,000 PR in 2002-03 in a new, annual appropriation and require DATCP to create and maintain a secure website for drainage districts to post engineering projects with the purpose of obtaining electronic bids for drainage district engineering services. Further, require DATCP to promulgate rules to set fees to cover the costs of the website.

Note:

The motion would provide one-time funding of \$200,000 for a consultant's time to development and set-up a secure web page where engineers could bid on projects and only drainage districts would be able to see the bids and for contract costs of \$10,000 annually to maintain the system.
